REQUIREMENT OF DIFFERENT TYPES OF FISH TRANSPORT VEHICLES

TERMS AND CONDITIONS

Request for Expression of Interest

EoI No. 03 /Date: 11 /11/2019

1. Background:

The Govt. in Fisheries & ARD Department, Odisha is implementing the scheme "**ASSISTANCE FOR FISH TRANSPORT INFRASTRUCTURE**" under the CS Scheme Blue Revolution with subsidy assistance from the Govt. of India and State Govt. through the Directorate of Fisheries, Odisha, Cuttack. The scheme shall be implemented through Bank finance and Self finance with subsidy assistance of 60% to SC/ST/Women and 40% to other categories of beneficiaries.

2. Objective of the EoI:

The EoI aims to select a panel of manufacturing companies and to derive a uniform unit cost for a particular brand and model of different types of fish transport vehicles required for providing to the beneficiaries in the State of Odisha through their authorised dealers at the respective Dist. Hqrs.

3. Procedure of empanelment of firms:

- i) The EoI shall be evaluated by a Technical Committee constituted at the Directorate level. The Committee shall examine the genuineness of the firms participating in the EoI and derive an accepted unit cost/rate for a particular brand and model of the fish transport vehicle.
- ii) The lowest quoted price of a firm offered for a particular brand and model of the vehicle shall be negotiated with other higher quoted participating firms by the committee. The firms accepting the lowest quoted rate shall be empanelled for supply of transport vehicles to the beneficiaries as per their choice.
- iii) The empanelled firms shall deliver the desired vehicles as per choice of the beneficiaries at the District HQR Fisheries offices of the Department through their dealers.
- iv) The selected companies shall submit the list of their authorised dealers at different places in the State of Odisha who shall supply the fish transport vehicles at the approved rates of the concerned company.

4. Procedure of Implementation:

- i) The scheme shall be implemented both on bank finance and self finance of the beneficiaries.

ii) Applications for providing different types of fish transport vehicles required by the beneficiaries shall be collected by the District Fisheries Officers (DFO)/Addl. Fisheries Officers (Marine) through the AFOs.

iii) In case of bank finance, the applications of the beneficiaries shall be sponsored to the banks. On sanction of the proposal, the bank shall place the supply order to the empanelled firm as per choice of the beneficiary.

iv) In case of self finance, the DFO/ Addl. FO (Marine) shall place the supply order to the empanelled firm as per choice of the beneficiary.

v) The vehicle shall be delivered to the beneficiary by the concerned firm within the stipulated period as mentioned by the DFOs/ Addl. FO (Marine)/ financing bank.

vi) The geo-tagging and photographs of the vehicles along with the beneficiaries, AFO and the representative of the financing bank shall be taken during the time of delivery of assets.

5. Mode of Payment:

i) In case of bank finance, the payment shall be made by the bank to the concerned firm after supply of vehicle to the beneficiary.

ii) For self finance cases, the beneficiary shall make payment to the concerned firm from whom he intends to procure the vehicle.

6. Documents to be submitted with the EoI:

Sealed Expressions of Interest are invited from the registered manufacturing companies having valid GST registration, PAN etc as required under financial norms. The firms may submit the photo copy of the previous supply orders in support of their competency for weightage in Technical Bid. The photocopies of the documents are to be submitted along with the application form & the originals are to be produced at the time of opening of the EoI.

7. Type of the Fish Transport Vehicle:

A. Insulated/ Refrigerated Truck of 6 & 10 Ton carriage capacity:

A1. Truck of 6 & 10 Ton carriage capacity:

The firm should express his interest for supply of truck of 6 Ton & 10 Ton carriage capacity of reputed brand with appropriate engine power. The details of the make and model with engine specifications and the chassis should be mentioned clearly by the participating firms for the above capacities of vehicles separately.

A2. Insulation:

The firm having well expertise in insulation work of transport vehicles should express his interest with details of the insulated materials to be used with its thickness and other specifications separately for 6 Ton & 10 Ton capacity.

A3. Refrigeration:

The firm having well expertise in refrigeration work of transport vehicles should express his interest with details of the refrigerated machine with compressor and other accessories along with ancillary works separately for 10 Ton capacity.

The firms having expertise both in insulation and refrigeration works of above capacity of transport vehicles may also quote their rate combinedly with details as stated above.

The firms having expertise in providing the insulated and refrigerated truck of above capacity on readymade basis may also quote their rates for the entire vehicle describing in details of make and model of the vehicle, engine, chassis, insulation and refrigeration.

B. Auto Rickshaw:

The firm should express his interest for supply of Auto rickshaw with cargo bed/ tray facility mentioning in details of its make/brand, model, engine type with HP etc. with carriage capacity.
